

NXG^{AI}

**Better Hearing begins
with NXG AI**

Nothing is **smaller**
Nothing **sounds better**

Signature
S E R I E S

NXG^{AI}

NXG^{AI} marks a new beginning for the hearing industry. **Completely reimagined from the inside out**, it's the only hearing care system to feature an *all-new* processor, *all-new* sound, *all-new* design, *all-new* fitting software, and *all-new* patient experience.

It's the biggest leap forward ever in Ear-Brain Technology™.

4X

speed of previous
processors

6X

NUEAR

Enjoy clear, true-to-life sound in advanced technology custom fit to hide discreetly in your ear.

Note: All NXG AI products cover 2 years worldwide warranty

Compatible with

StarLink Wireless Accessories & Chargers

Table Microphone | BDT 50,000 Per Unit

Make group settings easy with eight built-in microphones that stream the primary speaker's voice directly to the patient's hearing aids.

Remote Mic+ | BDT 25,000 Per Unit

Allows patients to easily stream from a variety of audio sources. This simple to use remote microphone + offers the most capabilities available in any accessory.

TV Streamer | BDT 25,000 Per Unit

Allows patients to easily stream audio from their TV or other electronic audio source directly to their hearing aids.

Remote Control 2.0 | BDT 18,000 Per Unit

Easily control memory and volume, mute hearing aids and turn other special features on and off.

StarLink Premium Charger 2.0
(with on-board battery)

BDT 32,000 Per Unit

mRIC R

Operates as a portable charging station and case for standard lithium-ion rechargeable hearing aids. Comes with on-board turbo charging. Turbo charging automatically occurs when the hearing aid battery is low. The hearing aid will rapidly charge, providing approximately 3 hours of use time with only 10 minutes of charging. Includes an on-board battery which allows charging of the hearing aids to occur without a power source. Compatible with NXG AI range of products.

StarLink Premium Custom Charger 2.0
(with on-board battery)

BDT 32,000 Per Unit

ITE R/ ITC R/ CIC R

Operates as a portable charging station and case for custom lithium-ion rechargeable hearing aids. Comes with on-board turbo charging. Turbo charging automatically occurs when the hearing aid battery is low. The hearing aid will rapidly charge, providing approximately 3 hours of use time with only 10 minutes of charging. Includes an on-board battery which allows charging of the hearing aids to occur without a power source. Compatible with NXG AI & Signature Series range of products.

StarLink Standard Charger
(with on-board battery)

BDT 28,000 Per Unit

BTE R

The Premium Standard Charger operates as a portable charging station and case for standard lithium-ion rechargeable hearing aids. The charger is equipped with LED lights to indicate charging status for both hearing aids and charger. Compatible with Savant AI range of products.

NUEAR

Note: 1. All wireless accessories & chargers cover 1 year warranty.
2. All prices mentioned above are inclusive of all taxes.

Signature S E R I E S

**Nothing is smaller.
Nothing sounds better.**

Built off the industry's most advanced processor and powered by our industry-leading **Neuro Sound Technology**, Signature Series deliver the size, performance and personalized fit that patients can only get from you.

Our **lowest** noise floor yet

CIC R NW

The **world's smallest custom rechargeable hearing aid** is also waterproof* and has up to a 38-hour battery life.

IIC NW

Nobody does invisible like NuEar and no smallest-of-small hearing aid performs better than Signature Series IIC.

There's an art to custom

It takes care and expertise to build a hearing aid to each individual's exact specifications—and no one does it better or has done it longer than **NUEAR**. Trust your hearing to the professionals.

80 million

hearing adjustments
every hour
